Dear Mr. Koeppen:

This is to alert you to the fact that an internal audit of our federal political action committee, USXPAC, discovered a \$5.00 difference in our ledger and bank account (and is therefore reflected in our FEC reports as well).

As per our conversation today, this letter is all the action that needs to be taken. Since the sum is so small, we do not plan to adjust the number in our PAC software program. Please call if you have any questions or concerns, or if any action, other than this letter, needs to be taken. I can be reached at (202) 783-6833.

Sincerely,
